Welcome

Located in Athlone in Co. Westmeath in the heart of Ireland, the Shannon Academy of English offers a range of year-round, multicultural, English language courses and programmes to students from a number of countries.

Our location in a vibrant Irish town, along with our programme of structured classes and the exposure to Irish life and culture that we share with our students, makes Shannon Academy one of the most invigorating language schools in Ireland.

The Shannon Academy is a place where students and teachers can meet other groups from different countries. Caoimhe and her team are always pleased to help us, the atmosphere is relaxed and also suitable for working activities. They are happy to tell us about their way of life! We are in touch with them all year round, especially for St Patrick's Day.*
